

**SOUTHERN STEEL BERHAD
SOUTHERN STEEL ROD SDN BHD
SOUTHERN HRC SDN BHD**

**ENVIRONMENTAL, HEALTH & SAFETY (EHS)
POLICY STATEMENT**

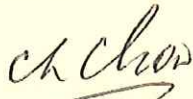

Southern Steel Berhad believes that in our quest for excellence in business, we should also be environmentally and socially responsible.

Henceforth, we are committed to :

- 1) Conduct our operations with the goal of maintaining a safe & healthy work environment for all our employees
- 2) Fulfill EHS compliance obligations and other requirements
- 3) Establish best practices for the protection of the environment including prevention of environmental pollution, and prevention of injury and ill health at the work place
- 4) Conserve energy by utilizing energy sources efficiently
- 5) Minimize waste by 'reduce, reuse & recycling;' and to manage waste effectively
- 6) Pursue continual improvement to enhance EHS performance by establishing EHS-related objectives and targets, employees' training and periodic review

This environmental, health & safety policy shall be made available to all employees and all interested parties.
